

Raymond Recorder

VOLUME 36

FRIDAY JULY 23rd, 1943

NUMBER 14

Rotary Club To Welcome District Governor

The Raymond Rotary Club on Friday August 6th will welcome Mr. John N. McFadden, governor of the 116th district of Rotary International, which includes 34 Rotary clubs in western Ontario, Manitoba, Saskatchewan and Alberta. Mr. McFadden is a partner in the law firm of Bowman and McFadden in Dauphin, Manitoba and is a member of the Dauphin Rotary club. He was nominated as governor at the conference of the 116th district held last April in Regina, Sask., and was formally elected at the 1943 convention of Rotary International in St. Louis, Mo., in May.

Mr. McFadden will visit the Rotary club to advise and assist President J. S. Madill, Secretary Lefroi Stone, and other officers of the club on matters pertaining to club administration and Rotary service activities. He is one of the 135 governors of Rotary International who are supervising activities of 5,100 Rotary clubs in more than 50 countries throughout the world.

In addition to their regular activities most of these clubs have been actively engaged in war work since their respective countries were drawn into the conflict. They are co-operating with their governments in rationing, salvaging and conservation programs, in fund-raising campaigns and in all phases of civilian defense.

"Jack" McFadden as he is known to the members of his own club, has been an active member of Dauphin Rotary club for approximately 15 yrs. during which time he has held many offices. He was president of the club from 1938 to 1940 and secretary from 1941 until this year and has always been held as an authority on matters pertaining to Rotary.

Three Of A Kind

Mitchell Parks, Patricia Berry and Percy Burdett.

WEDDING BELLS

LARSEN — BRANDLEY

Miss Margaret, daughter of Mr. and Mrs. Louis Brandley and V. Wallace Larsen of Shelley Idaho, were united in marriage Wednesday morning at the Alberta Temple, Cardston, with Pres. Joseph Y. Card performing the ceremony. Members of both families were present to witness the ceremony and to wish the young couple happiness and success in their journey through life.

Last night a reception was held at the Brandley home where the bride received a lovely lot of presents, from her many friends, who all joined in best wishes for the young couple. As soon as passport regulations can be arranged, the newlyweds will leave for Provo, Utah, where they will make their future home. The groom is a returned missionary having filled a mission in the Hawaiian Islands and is finishing his schooling and also teaching part time at the B.Y.U.

We join with the many friends of the young couple in best wishes for a long and happy married life.

NAVRATIL — JACQUE

Miss Gladys, daughter of Mr. and Mrs. Frank Jacque, and Joseph Navratil of Raymond, were married in Lethbridge at 1 p.m. Thursday, with Bishop C. F. Steele, performing the ceremony. Immediate members of the families were present to wish the young couple happiness and success in their life's journey.

In the evening a wedding supper was served at the Jacque home when about 25 relatives and intimate friends partook of the very fine meal and joined in best wishes for the newlyweds. They are making their home on the farm south of town for the summer months until after harvest when they will move into town for the winter. With their many friends we extend our congratulations and best wishes.

Recruiting For C.W.A.C.

A CWAC Recruiting party will be here Monday, August 23rd, for the purpose of recruiting women between the ages of 18 and 50 for this work.

Any interested parties could report at the Recorder Office and we will list your names and see that you are contacted when the party arrives. There is a splendid field for service in the corps of the CWAC, and if your work would permit your joining you would be rendering a real service to your country. Keep this date in mind will you please.

While E. "Bush" Sabey is holidaying from the Sugar Factory J. "Mike" Holland is driving the big sugar transport truck.

Mr. and Mrs. Clarence Strate and family were guests over the week-end of Mr. and Mrs. Henry Piepgrass and continued onto Cardston Tuesday evening to visit relatives there and to spend a few days in Waterton Park.

Church Leaders Speak Here

Despite the busy season and the summer heat, 650 people from all parts of the Lethbridge Stake and many from the Lethbridge Stake, gathered in the Stake House here Friday to listen to Pres. J. R. Hansen, Jr., of the First Presidency, Bishop Joseph L. Wirthlin of the Presiding Bishopric and Presiding Patriarch Joseph Smith in timely and instructive addresses.

The Stake Choir was present under the direction of Wm. C. Stone, and was highly complimented by the visitors for their fine work in the numbers they presented.

Stake Pres. T. Geo. Wood was in charge of the service and made a few opening remarks speaking on the theme of "Prayer" and its value to the family and the individual, and asked the Choir to sing "Did You Think to Pray."

Bishop Wirthlin was the first speaker and directed his remarks to the loyalty of the people in the Church today. The Church had reached its present enviable position because of Loyalty, and if it was to fulfil its destiny as a leader and a light to the peoples of the world it would be because of the loyalty and fidelity of its people to its principles. Present trends of life led us away from the fundamentals of honest toil and service and we should rededicate our lives to these purposes. We, as individual members of the Church should resolve to be just as good a follower as we expect our leaders to be a good leader and if we do this all would be well. He exhorted all to support the Welfare plan in every detail and work to the end of being self-supporting and self-sustaining so that we should be beholden to none.

The Choir and Congregation sang "Onward Christian Soldiers" and then Patriarch Smith bore his testimony and stated that there would be no solution to the problems that confront the world today until we resolve as individuals and nations to live the Golden Rule of loving our neighbor as ourselves. When we can do this we can hope for world peace and not until then. This was followed by the Choir singing "Not Understood."

Pres. Clark brought greetings from Pres. Grant and Pres. McKay, both of whom particularly asked to be remembered to the people of the Canadian Stakes. He then referred to Bishop Wirthlin's remarks on Loyalty and said that the membership of this Church had always been a loyal people, even in the face of abuse and persecution at the hands of Government officials.

Speaking of signs preceding the 2nd coming of the Savior

in Matt. 24, he said that when ever a man or group of men presents that which is in opposition to the law of God, to that extent that man or that group is an anti-Christ. Today there were many attempting to lead people away from truth and righteousness, and they were having many followers. We should guard against anything that may weaken or destroy our faith. We should serve diligently to live the law of the Savior and love our neighbor as ourselves. The war was the work of leaders, not of the common people and we should keep hate from our hearts and remember the words of the Lord Jesus, "He that taketh up the sword shall perish by the sword." Our boys and our girls too, must serve their country in defence of freedom and democracy, and we should pray for their protection, and that they might have strength to keep clean and pure, so that if they come back they shall come back free from sin and if they are they shall die in the Lord. The motto of workers and of soldiers, seamen and airmen in to industrial and training centres has created a strange and new condition. These standards being introduced that lead away from the standards of truth and righteousness are the work of anti-Christians and should not be followed.

The great force for conducting these evils is the family, and he urged that parents draw their families close together and gain their love and confidence so they could protect them. Love, patience, forbearance and chastity must be part of it if we are to save our children. The greatest crime of the day is unchastity, and our young people should be taught and understand that this is next to murder. He urged the young people to uphold the standards they had been taught, and said that any young man or woman who attempted to get another to sacrifice their virtue for his or her love was offering them something that was not worth taking.

The family organization was the holiest and most sublime relationship of life, endless as time itself. It is a great responsibility and a great blessing to be parents of fine boys and girls, and we should never give up in our efforts to train and teach these children. We should care for our parents and for our grandparents. They have given their lives in toil and sacrifice to give us the advantages of the day, and it is a distinct reflection upon our character and our appreciation that we should expect and want the Government to care for them when they become old. We want to care for them and we owe it to the God who made them to see that they are happy.

Hospital Vote On August 17th.

The Provisional Hospital Board met in session Thursday night last to decide on a voting place. These selections have been approved by the day for the Hospital question are being posted up with information respecting polling places, and so on. See the official notice elsewhere in this issue on as the date and Geo. E.

Tuesday, August 17th, 1943 from 9 a.m. to 6 p.m. was the day on as the date and Geo. E.

First And Second Ward Reunions Held

NEWS NOTES

Jas. E. Anderson was in Edmonton on business last week-end.

The End Ward Scouts are spending ten days in Waterton Park under the leadership of their Scoutmaster, Bill Sadler.

J. B. Mendenhall, now living at Ramier, was a visitor at the home of his parents for a couple of days the first of the week.

Mr. and Mrs. Fred Turner and Mr. and Mrs. Leroy "Poley" Hawkins are away on two weeks trip to Vancouver for the pleasure of the trip and to visit friends and relatives. Kano has been in charge of the Service station while Poley has been away.

Lloyd MacPhee and Casey Lough returned the end of the week from Rochester, N. Y., where they went to the Mayo Bros. Clinic. Both received cheering news from the Doctors and instructions for the treatment of their ailments, which, while serious, are not as bad as was feared.

ROTARY MEETING

Regular Rotary meeting was held Monday, with lunch served in the Sugar Bowl by Mrs. C. A. Layne in the absence of Pres. J. R. Madill, who was in Banff to the Presidents and Secretaries Assembly. Vice Pres. E. M. Jensen was in the chair.

T. Geo. Wood of the Program Committee took over after the lunch and introduced the following program: numbers: two piano duets by Misses Shirley Allen and Lila Wing, Reading "Canada" by Miss LaVonne Peterson, and a talk on Eastern Canada and his impressions, by Elder J. Ross Mendenhall who has just recently returned from missionary work in the East.

Jas. H. Thompson Accident Victim

James H. Thompson, Welling farmer, was the victim of an unusual accident at his farm Tuesday morning of this week, when a ring off the tire of his Bennett wagon slipped off and was hurled by the force of the tube blowing out striking him between the eyes and plowing a furrow clear to the bone up over his forehead, then banging him on the arm just below the elbow, and then on the leg just above the knee. He was taken to the Lethbridge Hospital for a few days and is improving steadily, although he still has a very sore head.

The ring was cracked part of the way through, and after he had inflated the tire, and was fitting the rim back on the wheel, he hit it with the hammer to complete its adjustment, and he struck just where the ring was cracked, and it snapped off, releasing the 50 lbs. pressure in the tire and tube which hurled the piece of rim like a bullet when a slit 13" long was torn in the tube, and the piece of steel bit him any place, except just where it did on his head. It could easily have proven much more serious than it is. We wish him a speedy and complete recovery.

Both Raymond wards have held their annual reunions and parties during the past week. Last Saturday the first ward met at their Church grounds and enjoyed games, a program, their lunch and then in the evening got together in a very enjoyable dance. The M.I.A. officers were in charge of details.

Wednesday afternoon the 2nd Ward met at the Park, and from 4 p.m. on there was not a dull moment. Races contests of wit and skill, horseshoe, a tug-of-war and so on occupied the afternoon and early evening with everyone participating. Lunch was enjoyed by groups here and there, and then as the evening shadows fell, a large bonfire was kindled, and a program rendered, consisting of dances, musical numbers and stunts of various kinds.

Both groups had a very good attendance of ward members considering the busy season, and all who were able to attend report a most enjoyable time.

Cars Meet On Temple Hill

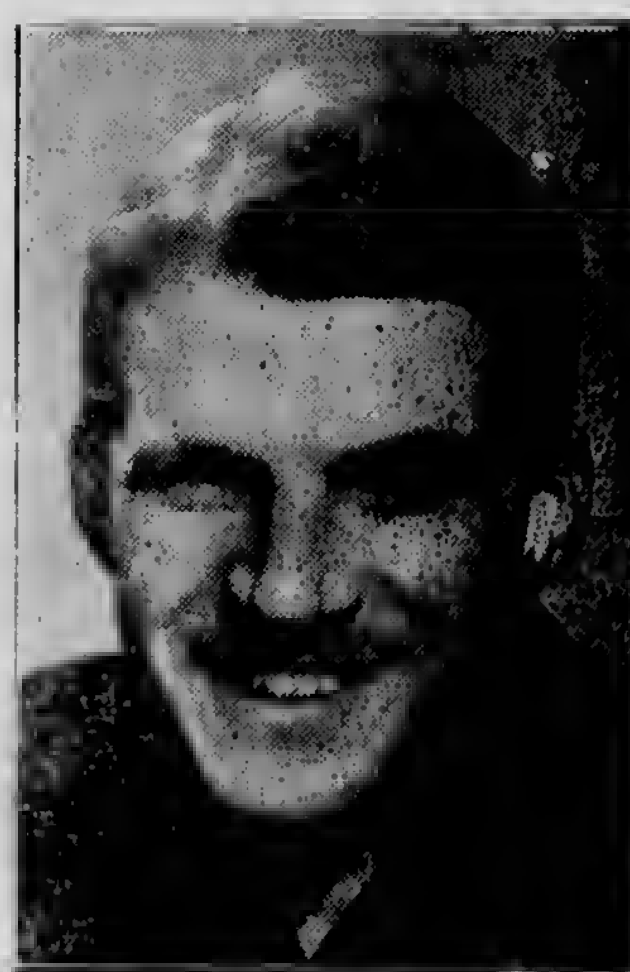

A crash occurred on Temple Hill Saturday night when the cars of S. Daniels and Clarence Rempel collided at the top of the hill, one coming from each side. The fender and running board on the left side of Daniels Chevrolet were swept nearly off, and the left front wheel of Rempel's wire wheeled Ford was torn completely off. The Rempel car, which was going north at the time of the accident was turned completely around and was headed south when it stopped.

There is only a single track over the hill, and as usual, neither driver expected another one would be coming up the other side. When the mistake was discovered, it was too late to clear. Luckily no one was injured, but a little more safety first on the part of those using this hill would remove any danger and would have saved these two car owners considerable money in this particular case.

Brian Bennett, of the R.C.A. F., stationed at Edmonton, was home on leave over the week-end.

Calling All Beehive Girls: Prepare to attend Summer camp August 3rd, 4th and 5th. All girls please register with Y.W. M.I.A. Presidency of respective Wards.

FARM FOR VICTORY

COVER CROPS

The value of cover crops in the foothills and some adjacent areas became an accepted practice some years ago. It was first used in the Claresholm district as a wind erosion control measure. Since then some added advantages have been discovered. It has been found that the trash which helped to check wind erosion also held the snow and slowed up run-off water, thereby checking water erosion. Probably the greatest advantage grew out of the value of the feed produced. Ranchers began to buy the crops to use as fall pasture and obtained good results. Steers made better than 2 pounds gain per day and took on a fine bloom. Many stockmen consider the crop worth \$3.00 per acre.

The Lethbridge Experimental Station made a study to determine what effect the cover crop would have on the yield of next year's crop. They concluded that the yield of the next crop was seldom reduced in the winter areas of the province but usually was reduced in the drier localities. A cover crop will dry the soil to about 18 inches. This is not serious if the moisture reserves are abundant or if the rains in late fall or early spring restore the moisture.

Cover crops should be planted early to furnish a good yield of forage. Oats are considered the best crop as the forage is damaged less by freezing than wheat or barley. One half bushel of oats is usually seeded but this may be increased if more forage is desired. Every other drill row may be plugged.

A suitable stand has been obtained almost every year. The present very dry conditions, especially if the fall is loose and dry, are not conducive to a good stand. Before the cover crop is seeded the soil should be observed to see if there is a supply of moisture at a depth at which the seed may be seed.

NOTICE OF POLL

Raymond Municipal Hospital District Plan

PUBLIC NOTICE is hereby given that a Poll will be held for the purpose of obtaining a ratification or rejection of the said plan, and the polling will take place on

Tuesday, the 17th day of August, 1943

from 9 a.m. to 6 p.m.

The proposed Hospital District includes the following described lands:

THAT PORTION OF THE MUNICIPAL DISTRICT OF SUGAR CITY No. 137, more particularly described as follows:

All of Township 4, Range 19, W. 4th M.
All of Township 5, Range 19, W. 4th M.
All of Township 6, Range 19, W. 4th M.
All of Township 7, Range 19, W. 4th M.
All of Township 4, Range 20, W. 4th M.
All of Township 5, Range 20, W. 4th M.
All of Township 6, Range 20, W. 4th M.
All of Township 7, Range 20, W. 4th M.
Section 22, 23, 24, 25, 26, 27, 34, 35 and 36 of Twp. 5, Range 21, W. 4th Mer.
All of Township 6, Range 21, W. 4th M.
All of Township 7, Range 21, W. 4th M.
Pr. of Township 7, Range 22, W. 4th M., containing fractions of Sections 19, 25, 26, 34, 35 and 36 lying North and East of the St. Mary's River
THE TOWN OF RAYMOND.
THE VILLAGE OF STIRLING.

The Hospital District has been divided into the following Polling Divisions:

- Polling Division No. 1, The Town Hall, Raymond.
- Polling Division No. 2, The Amusement Hall, Stirling.
- Polling Division No. 3, The Provo School, Welling.
- Polling Division No. 4, The Mammoth School.
- Polling Division No. 5, The O. K. School.
- Polling Division No. 6,
- Polling Division No. 7,

I will be at the Town Hall in Raymond on the 18th day of August, 1943, at 3 p.m. to sun up the number of votes cast for or against the Hospital scheme, and shall then and there declare the result.

Given under my hand at Raymond, Alta., this 30th day of July, 1943.

Geo. E. Court, Returning Officer.

May We Suggest

That in an effort to reduce fire losses in Canada, and as a safety measure for your own property, that you make it a point, NOW, to see that chimneys are inspected and properly cleaned before cold weather.

We Are Fortunate

in having in our Town a qualified chimney sweep, using the very latest equipment for this kind of work, so that your chimney will be absolutely clean without any muss or fuss, not any dirt that a damp cloth will not wipe off easily.

The Town Of Raymond

NEWS NOTES

Mr. and Mrs. Frank M. Hall left yesterday for a vacation trip to Vancouver.

Geo. H. Brewerton is a business visitor in Edmonton this week.

Mrs. I. Kitchen and Mrs. Ralph Walker of Raymond were Magrath visitors Tuesday.

Mr. and Mrs. Reinhold Thurst spent the week-end in Magrath with Reinhold's mother, returning Monday morning.

Mr. and Mrs. Rich Bennett and family of Raymond are visiting in Magrath with his parents, Mr. and Mrs. Clyde Bennett.—Magrath Store News

Quite a number were in Cardston Thursday for the last day of the Temple ordinances prior to the summer vacation.

The Hancock Dairy has just received a shipment of new and attractive milk bottles done in red and green, with their name on one side and the outline of a cow and an appropriate advertisement on the other.

Housewives are busy these days putting down peas and fruits. The high price of fresh fruits and the shortage of canning sugar will make some cellars look like Old Mother Hubbard's cupboard this fall.

CROP REPORT—Dry and hot. Rain is badly needed and stubbled in grain is practically a total loss now. Beets, hay and irrigated grain fields are doing fine in the warm weather. Dry land summer-fallowed crops look patchy over the district.

A. E. Hancock took delivery last week of a very fine and well bred six months old bull calf from the famous Hays Holstein herd at Calgary. Any lover of good cattle will appreciate the quality of this promising calf.

The Primary officers are in charge of the Sunday evening program at the 2nd Ward next Sunday—and a very fine program is arranged. Stake Pres. T. Geo. Wood will be speaker of the evening.

At the 2nd Ward Sacrament meeting Sunday evening, Mrs. C. F. Tollestrup was released as First Counselor in the Ward Relief Society Presidency, and Mrs. W. Parley Meldrum was sustained in her place.

Bishop M. O. Olsen of the 24th Ward in Salt Lake City was a visitor at Stake Priesthood meeting on Sunday and spoke briefly, expressing his pleasure at being able to visit Canada.

The gab and giggle gang got together Thursday night at the R. J. Fansett farm for a weiner roast and evening of fun. Aside from stiff joints and sleepy eyes the next morning all survived the evening and report a fine time.

The Geo. Fairbanks family were speakers at Sacrament meeting in the 2nd Ward Sunday evening when Elder Walter Fairbanks and his sisters, Vilate and Georgia were the principal speakers. Elder Mark Dahl who was home on leave from Rivers, Man., spoke briefly.

NOTICE

The Sugar Factory will employ some women for light work during next campaign. Written applications should be filed before August 10th with C. R. Wing Superintendent.

SLEEP, CANADIANS!

Canadians, sleep the sleep of innocent babes, Not through fatigue, or from atask well done; But like the ostrich with its beneath the sand, We cannot see advancing Jap or Hun.

Tis true we give some greenbacks and our pennies, And some do well to offer up their all; But if the heads do not say "we compel you," Then like that bird we fail to hear the call.

You cannot say that we shall always slumber Pearl Harbor woke the U. S. from her rest So we'll enjoy the silence and the comfort Until the planes roar over from the west.

Sid Smith Jr.

Note: The above poem came from "Sid" whom we all know and we think is well worth printing and pass it on to our readers.

ATTENTION FARMERS!

THE ALBERTA FARMER'S UNION IS HAVING A MEETING AT THE TOWN HALL, RAYMOND, AUGUST 6th. AT 8 P.M. GOD KNOWS WE NEED HELP THESE DAYS. COME TO THIS MEETING AND LEARN HOW TO HELP YOURSELF.

WE FARMERS NEED BETTER CONDITIONS, BETTER PRICES FOR OUR PRODUCE. THE ALBERTA FARMER'S UNION CAN HELP YOU.

Order A Supply Of These Better Farm Lubricants Today

Be prepared for the extra strain and stress your farm equipment will undergo at harvest time, by giving it proper care and correct lubrication now. You safeguard your farm machinery when you use dependable McCull-Fontenac Lubricants. Call on the McCull-Fontenac Representative in your district for an adequate supply of the following:

RED INDIAN E. P. GEARLIFE

Red Indian Gearlife affords complete protection for transmissions and differentials of tractors under the toughest going. It resists channelling. It follows through and clings to the gears. For thorough lubrication and easier shifting use this better lubricant.

TEXACO MARFAK

Longer life for vital bearings is ensured when lubricated with Marfak. Marfak sticks to its job in all weather and temperatures. It seals itself in the bearings, sealing out dust, mud and water. Play safe—insist on Marfak!

RED INDIAN Aviation MOTOR OIL

In tractor or car engine, Red Indian Aviation Motor Oil provides complete protection against friction and wear. It stands up under highest engine heat . . . flows and lubricates the moment the engine starts. For general lubrication of equipment, it has no equal!
